FORENSIC PSYCHOLOGY (PAPERBACK)

Palgrave MacMillan, United Kingdom, 2010. Paperback. Condition: New. 2010 ed.. Language: English . Brand New Book. How exactly can psychology be used to define a crime? What are the underlying social, psychological, biological and cognitive contexts that affect the nature of incriminating behaviour? How can we appropriately measure justice in spaces as political as the court-room? Being an often misrepresented field in psychology, this book has been written with an empirically sound representation of the major theories that underpin our...
