LEADERSHIP PRINCIPLES FOR PROJECT SUCCESS

CRC Press, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: The book 's appendices include numerous project templates. a great leadership book with five sound leadership principles. provides practical advice and techniques for initiation, execution, and closing phases. establishes a thought provoking two-way conversation with the reader with application suggestions. One reoccurring application suggestion asks the reader to consider how the leadership principles presence or absence impact on reader 's projects. any project manager or leader would benefit from this book. an enjoyable book to read. filled with common sense suggestions on how to start new projects using the five principles and what to do to bring troubled projects back into alignment. Personally, I would love to work for a person like the author. Patrick S. Durkin, Retired U.S. Army Lieutenant Colonel in PM World Today December 2010, Vol. XII, Issue XII I love this book. . takes what could be a tedious and laborious subject and makes it fun and interesting to read . full of anecdotal examples. . a real-world book for practitioners. . on my short list of recommended readings and references for an effective leader 's toolbox. Neal Whitten, PMP, Best Selling Author . a great resource for not only projects, but for success in life in general. Start everything of importance with a clear vision and you will end with success. Lee Cockerell, Former Executive V.P., Walt Disney World Resort . a superb job bringing together a practical guide to project management. . an essential step-by-step reference for the professional project manager. . a valuable addition to any project manager's toolkit. Robert Urwiler, CIO, Vail Resorts Inc. It is refreshing that, rather than emphasizing the role of any single project member, Juli shows the importance of developing an...
