By Desi Serna

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Guitar Picking Mechanics equips you to use a standard guitar pick (a.k.a. flatpick or plectrum) to play popular styles of music as proficiently as possible. Through a series of exercises, you are trained to use the proper techniques needed to play common guitar parts. You also discover techniques that make an immediate difference in how well you pick, so you see fast results. In order to learn the most practical skills, you play examples composed in the style of familiar songs. You even unleash your creativity by applying your newfound skills to your own improvisations and compositions. Your path to picking improvement involves the development and application of the following techniques: Alternate picking Changing strings on downstrokes Downstroke sweep picking Downstroke economy picking Upstroke string changes, sweep picking, and economy picking Pick slanting Inside and outside picking Playing melodic patterns (a.k.a. scale sequences) Crosspicking After completing Guitar Picking Mechanics, you will be able to pick more quickly, more accurately, and more comfortably. You will know how to compose fluid lead lines around efficient mechanics. Most importantly, you will discover which...
