Hay House. No binding. Condition: New. Dimensions: 5.8in. x 4.7in. x 1.0in. For the past two decades, Michael Toms, the host and executive producer of the nationally syndicated New Dimensions interview series, has been exploring personal, social, and global transformation through his work as an electronic journalist and writer. Over a span of 12 years (1975 to 1987), Toms recorded conversations between the late Joseph Campbell (author of *The Power of Myth*) and himself, during which they developed a close friendship. On this compact disc, on which Campbell brings us in touch with our mythic heritage, he and Toms generate an infectious excitement as they explore the far reaches of meaning and thought. In these stimulating conversations, central questions in humanity's quest for meaning, understanding, and knowledge of the spiritual universe in which we live are explored. Topics such as *The Eternal Quest*, *Mythic Horizons*, and *Following Your Bliss* will provoke imaginative thinking and an appreciation of one's humanity. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Audio CD.
