Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

HOW TO SUCCEED AT AGING WITHOUT REALLY DYING

BRILLIANCE AUDIO, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Lyla Blake Ward s How to Succeed at Aging Without Really Dying is a wry, witty, and wise collection of essays about living in a world of bubble packs you can t open, electronics you can t turn on, polls you re not deemed worthy of taking, and expiration dates you can only hope don t apply to you. Most of all, it s about the difficulties of staying on the planet when it s spinning out of control. While taking a humorous look at health, grandparenthood, computers, and social issues, How to Succeed. answers such pressing questions as: What brand of yogurt guarantees you will live to 110? Can older people really shop online, or is the submit order button visible only to users under 30? And how many pixels does it take to win your grandchild s affection? As we get older, we can whine or complain about our losses--memory, muscles, and mobility--or we can roll with the punches. This book rolls.
