From the crib to the grave, we all reach out to someone to love us and for someone we can love. Indeed, love is necessary for survival. Without it, we lose the will to live; our mental and physical vitality lessons; resistance lowers; and fatal illnesses can result. When we experience love, we glow with a radiance that affects us physically, mentally, socially and spiritually. Men and women were created to be physically attracted to each other, irrespective of their looks, stature, colour or other qualities that differentiate one person from another. What causes attraction between the opposite sexes is in-built in men and women from creation. This is why couples fall in love with each other and later get married - just as it was intended by God, the Creator. However, many couples fall in love, marry, and assume that the job is completed. They believe that everything else will work out automatically. This is far from the truth. A successful relationship does not come by chance. It has to be worked for in love by the couples concerned. The cure for all the ills and wrongs, the cares, the sorrow and the crimes of humanity, all lies in one word - love . It is the divine vitality that everywhere produces and restores life. To each and every one of us, it gives the power of working miracles if we will. According to Nancy Van Pelt, thousands commit suicide each year, multitude flock to the courts for divorce while many are in mental hospitals, all for the lack of love and human affection. Dr. Smiley Blanton in his book, Love or Perish, says For more than forty years I...
