Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Meet the diverse coven of witches who populate these 50 delightfully scary stories, from practitioners of white witchcraft to devotees of black magic. Most are female, some are male, and a few are thoroughly unclassifiable. They can be born witches or made witches, and may mix simple love potions or volatile concoctions that threaten all we hold dear. The many writers who take on this ever-fascinating character include Juleen Brantingham, Joe R. Landsdale, Simon McCaffery, Terry Campbell, and Lawrence Shimel. These witches are so wicked, you'll want to read about them over and over again. Printed Pages: 328.
