It is one of the most popular pdf. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

CONVERSION OF AUGUSTINE (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Conversion of Augustine This little hook should be interesting not only because of the man and the event it deals with but also because of the writer and the writing. The likeness between St. Augustine and Cardinal Newman is very striking. Whatever difference exists is but the accident of distance. Transposing both from the ends of fifteen centuries of years we can conceive of either as doing exactly what the other did. It was this kinship of mind which enabled Newman to interpret the life of Augustine so faithfully and to write of his conversion as no one else had written before him or ever will write. Indeed there is no need for further writing. Whoever reads this sketch knows St. Augustine - sees the soul of him laid bare by the most sympathetic hand that ever put kind and gentle thoughts into perfect language. Was Newman thinking of his own dark hour while he wrote? There can be little doubt of it. And so we have the story of two strangely beautiful lives compiled and complete in one short chapter. For who can write of sorrow but who has wept? or who can tell of strife but who has striven? or who can sing of victory but who has fought and won?
