MARRIAGE: 15 STEPS TOWARD IMPROVING YOUR MARRIAGE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. . . the wedding bells are a distant memory, the photo album is tucked away in a closet and the breathless anticipation of a new life has faded away. . .how do you keep that spirit alive. . . 15 Steps Toward Improving Your Marriage Have the emotions of courtship become tarnished memories? Do you find yourself wondering where the passion has gone? Is it difficult to see that dashing white knight in the guy who sits in front of the television watching football every Sunday? Or maybe the challenge is finding the gal that turned your head with super model looks in the sloppy sweats and curlers that greet you across the breakfast table? As they say, the honeymoon is definitely over! The feelings are still there and the love hasn't diminished. But with the hassles we all encounter from day to day it's easy to let our priorities get out of whack! We live in a stressful world what with work, children and financial pressure. Before we know it, our marriage has taken a back seat. It's no wonder that marriages are failing at an alarming rate. Here are a few symptoms: -In conversation you constantly correct your spouse. -You make your partner the butt of jokes. -You argue over money. -Can't agree on decisions about the children. -Sex has taken a back seat in your relationship. By no means are these the only symptoms. If you have forgotten what it's like to communicate with your spouse as you did when you were dating, you can bet there are other difficulties in the marriage. Remember what life was like when you were...
