SAVING AMERICA: HOW DO WE BRING THE AMERICAN DREAM BACK? (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book provides an important look at the well-being of the United States of America. It is broken into five parts: a brief history of the frameworks and foundations of our constitutional republic, an analysis of the major changes that occurred in the last fifty years, a look at where the United States of America is now, recommendations for saving America, and a look at what awaits us in the future of our nation. So what is an accurate picture of America today? In the history of the world, only two nations have been founded entirely upon a monotheistic religion: Israel and the USA. In examining the history of both nations, many parallels are evident; both were settled by those freed from a land of slavery and oppression, both were founded on a set of ideals based upon the rule of law rather than the rule of men (or kings), and both were greatly blessed and soon grew incredibly prosperous. However, after achieving prosperity, both nations became deeply divided between the pagans (or seculars) and those who held to the faith and principles of their founders, especially in the USA. After becoming divided, America lost its place of prominence and is now mocked and ridiculed from within and by all her neighbors. Why must we fight? Why must we win, beyond the need to maintain the trust delivered to us? We have no place left to go. In past times, there were places in the wilderness to flee to. Give me your tired, your poor, your huddled masses yearning to breathe free . . . I lift my lamp beside the golden door! Remember those words inscribed on our Statue of Liberty?...
