

Subject (Paperback)

By Laura Mullen

University of California Press, United States, 2005. Paperback. Condition: New. New. Language: English . Brand New Book. Calvin Bedient calls the poetry in this volume solid and brave and relentlessly inventive. Forrest Gander says, The obsessive force of this poetry, ruptured by caesura and stanza, is remarkable. Despite the considerable intellectual torque, the poems, concerned always with identity, the borders of the I and the Here, are quite funny in passages. The drama of this work is gripping, convulsive, and intense. Subject holds the mirror up to language, attempting to find out (and find ways out of) the limits of the wor(l)ds we are sentenced to. The lyric impulse exists, but the surface is rough, reflecting the violence of the effort to see into seeing itself: the voice is ragged, syntax is torn, words have been broken into syllable and sound, images dissolve, the page holds out alternate visions and versions (in double or triple columns), leaving any would-be univocal truth always in doubt.

Reviews

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.

-- Miss Marge Jerde

It is really an remarkable publication i actually have possibly study. It usually is not going to cost excessive. Its been written in an exceedingly basic way and is particularly only right after i finished reading this publication through which basically transformed me, affect the way i think.

-- Dr. Breana O'Kon
