The Sacred Porch is a new and uplifting spiritual fiction that takes the readers heart and soul to a higher vibration of knowingness. The story starts with an ordinary life and ends with the most unexpected extraordinary outcome. Follow in the footsteps of Edward Evans and vanish your doubts of higher power forever. Witness how a life of an ordinary man, grows and blossoms by following the path of his intuition. Walk with him as he finds his true calling in the most unexpected way. The sudden loss of his job and fianc ejects Edward from a world of habit and social expectations into a self-directed life of direct, simple emotion. His path of self-discovery is impelled and shaped by seeming happenstance: temporary construction work provided by Max, a rural wise man; that starts a chain of miraculous events which lead him into a new world and the discovery of a new reality. Step into a higher dimension with Edward and see how there is a force that connects you to all that ever existed. Read the Sacred Porch and step out of your two dimensional understanding of time and go where all dimensions co-exist and miracles always happen. Happy reading.
