Take Action Today and live Mortgage-Free for the Rest Of Your Life By Designing, Building and Living In The Tiny House Of Your Dreams! The Tiny House Movement has gone a long way from being a quirky housing trend into an actual way of life for people who are ready to down size their lives for practical reasons. Students who are burdened by student loans but prefer to lead independent lives as they enter the workforce find the option to build a tiny house as their starter house. Entrepreneurs who want to take control of their life by starting their own business find downsizing to tiny house living as the most practical approach to managing finances as they start a business. Older folks who are at the cusp of retirement age have been known to sell off their property, the house they built their life and family in, to wind down and settle into old age in a much more manageable space which a tiny house is able to provide. There are a lot more people out there with equally valid reasons for downsizing to tiny house living. This is the reason why the Tiny House Movement has gained in momentum through the years, taking on more advocates of this very practical, downsized and streamlined lifestyle. If you are considering about building and living in your own tiny house this book will give you a good beginners guide for you to take action towards building the tiny house of your dreams! Here is a Preview of the points covered in this book: - Weighing the Pros and Cons of Tiny house living and taking the leap Tiny House Planning Tiny House Blueprints and...
