

Edgy Equations: One-Variable Equations (Hardback)

By Lisa Arias

Rourke Educational Media, United States, 2014. Hardback. Book Condition: New. 257 x 190 mm. Language: English . Brand New Book. Don't be edgy when it comes to equations! Step into the unknown and find balance in math equations. This book, with rhyming text, explores how to solve equations by checking that both sides are balanced. By using visual representations, and sample questions, students will master one-variable equations. This book will allow students to write, read, and evaluate expressions in which letters stand for numbers.

Reviews

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who state that there had not been a worth reading. You may like how the author publish this ebook.

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.
