Brand New Book ***** Print on Demand *****.The teachings of the great Chinese philosopher Confucius have had as great an impact on the culture of the Far East as The Bible has had on the culture of the West. As they are presented here, The Teachings of Confucius consists of The Analects, The Great Learning and The Doctrine of the Mean. The Analects is the most important of the teachings of Confucius. It is a collection of speeches and discussions between Confucius and his various disciples that illustrate his precepts: that anyone, regardless of his station in life, could become a superior man by living a virtuous life. The Great Learning is a protocol for living, even the humblest actions of everyday living. It is embodied by the practice illustrated by the Seven Steps. The Doctrine of the Mean deals with the means of achieving perfect virtue by following the middle way. It is a Heavenly prescription of the golden path by which learning and teaching ultimately unfold into perfect virtue. Like other great teachers, Confucius advocated action based on empathy; on practicing The Golden Rule by only doing unto others as you would have them do unto you. His aim was to improve the value and quality of life for all mankind. Excerpt. (c) Reprinted by permission. All rights reserved. The Analects Book 1, Hsio R The Master said, Is it not pleasant to learn with a constant perseverance and application? Is it not delightful to have friends coming from distant quarters? Is he not a man of complete virtue, who feels no discomposure though men may take no note of him? The philosopher Yu said, They are few who, being filial...
