

Schaum's Outline of Elements of Statistics II: Inferential Statistics: v.2

By Stephen Bernstein, Ruth Bernstein

McGraw-Hill Education - Europe. Paperback. Book Condition: new. BRAND NEW, Schaum's Outline of Elements of Statistics II: Inferential Statistics: v.2, Stephen Bernstein, Ruth Bernstein, The book is the second half of a comprehensive outline of statistics, presenting the material in a user-friendly question-and-answer format. "Elements of Statistics II" will benefit students in beginning statistics courses, and is geared to students who need to know statistics in their specific field of study, which may range from business to the social sciences. It continues the introduction to general statistics begun in "Elements of Statistics I: Descriptive Statistics and Probability", and covers the material with added focus on inferential statistics. It provides an integrated step-by-step presentation with problems cross-referenced throughout.
