YOUNG MICHELANGELO: THE PATH TO THE SISTINE (HARDBACK)

DOWNLOAD

Guggenheim Museum, United States, 2010. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Truly in a class of its own, *Young Michelangelo* is the most definitive and eye-opening study of the artist's early life to come along in a generation. In this compelling account, renowned art historian John Spike paints a vivid portrait of one of the world's greatest artists and the places and people--Lorenzo de Medici, Leonardo, Machiavelli--that inspired and defined his early life and career. Spike's masterful text probes the thinking, evolution, and desires of a young man whose awareness of his exceptional talent never wavered. Michelangelo's complex personality is revealed through lively examinations of the *Pieta*, the *David*, and all other major works. Drawing on a rich background of Italian Renaissance politics and culture, Spike deftly navigates the fiery Florentine master's struggle to surpass da Vinci's artistic mastery, and his troubled relationships with Julius II and other key figures of the era. Praise for *Young Michelangelo*: Making the most of Michelangelo's ample correspondence and the recently published records of his extensive banking transactions, Spike has drawn an astonishingly vivid portrait of the artist's first 33 years. It's the best life of Michelangelo I've read, and it leaves one wishing the author would complete Michelangelo's life with his wonderful grasp of the artist's tenacious personality and Herculean achievement. Everett Fahy, John Pope-Hennessy Chairman of the Department of European Paintings at the Metropolitan Museum of Art Tense and agile as an early sculpture, *Young Michelangelo* is a compelling portrait of the artist as a young man in a dangerous time. Peter Robb, Author of *M: The...*
