Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

Mutual Publishing. Paperback. Book Condition: New. Mass Market Paperback. 216 pages. Dimensions: 7.0in. x 4.3in. x 0.8in. A book about the sins of the fathers. . . . A gritty, troubling book. The Honolulu Advertiser The other Hawaii, the one tourists never get to see. Ian MacMillan Ken Hideyoshi is the new guy in Halawa Correctional Institute. Hes tough looking, a hard case, observes his cellmate Cal the mute tattoo artist of the prison, a wife murderer. SYN, a gang symbol, is tattooed on his hand, and he has a Japanese emblem inscribed on his left shoulder. He asks Cal for a tattoo on his back, in kanji script, of Musashis Book of the Void. While he is being worked on, he tells Cal his life story, a tale of hardship and abuse. Motherless, he was raised by a distant father, a Vietnam War veteran, in the impoverished hinterlands. In his teen years he hung out with the native Hawaiian gangs and was drawn into the Hawaiian-Korean underworld of strip bars and massage parlors. His ambition and proud samurai spirit seem, inevitably, to lead to his downfall. Chris McKinney is of Korean, Japanese, and Scottish descent. He was born in Honolulu and grew up in Kahaolu. He portrays the native Hawaiian experience from the inside, where children of mixed ethnicity grow up far from the clear water and pristine beaches of the rich visitors resorts. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Mass Market Paperback.
