J.P.Tarcher,U.S./Perigee Bks.,U.S., United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. To coincide with the bicentennial of Thoreau s birth in 2017, this thrilling, meticulous biography by naturalist and historian Kevin Dann fills a gap in our understanding of one modern history s most important spiritual visionaries by capturing the full arc of Thoreau s life as a mystic, spiritual seeker, and explorer in transcendental realms. This sweeping, epic biography of Henry David Thoreau sees Thoreau s world as the mystic himself saw it: filled with wonder and mystery; Native American myths and lore; wood sylphs, nature spirits, and fairies; battles between good and evil; and heroic struggles to live as a natural being in an increasingly synthetic world. Above all, *Expect Great Things* critically and authoritatively captures Thoreau s simultaneously wild and intellectually keen sense of the mystical, mythical, and supernatural. Other historians have skipped past or undervalued these aspects of Thoreau s life. In this groundbreaking work, historian and naturalist Kevin Dann restores Thoreau s esoteric visions and explorations to their rightful place as keystones of the man himself.
