Blackbear Books, United States, 2011. Paperback. Book Condition: New. 201 x 124 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Leaving her safe, lovely life in Santa Barbara for her husband s native Czechoslovakia after the fall of communism was the biggest adventure Pandora had ever undertaken, and establishing her lingerie boutique Pandora s Box in Prague the culmination of a cherished dream. But there are other kinds of dreams, dreams that lurk at the edge of our consciousness, and making her husband s fantasy a reality initiated her into a world of sexual ecstasy beyond anything she d ever imagined. Coffee Time Romance And More rating: 4 coffee cups. . .incredibly erotic, and whether the scenes involve f/f, f/m, or f/m/m etc. you always feel right there in the moment. Erotica Revealed rating: Two thumbs up! It s erotic but manages to be gentle to its characters (and reader) even when there are threesomes, foursomes, or moresomes in play. Pandora would be a perfect book to pass to someone dipping their toes into erotica for the first time, and, as Christmas approaches, a good gift for someone in that scenario - there s enough titillation and frank prose to give a sense of the genre, but nothing so shocking as to startle someone not used to the style and content it generally holds. That might mean that people who ve read a lot of erotica will find Pandora plays it a little safe, but I enjoyed the softer touch. And it was certainly a welcome change to find women who were taking what they wanted, and not being consistently and constantly submissive. Pandora works with Ty to explore her sexuality - and, most of the time - takes charge of her own path. Publisher s note:...
