Reviews

*A new eBook with a brand new point of view. It really is written in basic words and not confusing. I discovered this publication from my i and dad recommended this book to find out.

THE GHOST OF AFRICA

BRILLIANCE AUDIO, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Together New York City surgeon Paul Branson and his wife, Nicki, had a dream: to help the people of the African bush. After Nicki's untimely death, Paul decides to honor her memory and carry on alone. In South Sudan, he channels grief into hope, caring for villagers and working to save Leza, a little girl with leukemia who has captured his heart. Meanwhile, Jason Quinn, terrorist leader of the Lord's Resistance Army, has deadly plans for the people of South Sudan. But he needs information to carry out his plot--information from research Paul did for the US government years ago. Quinn will stop at nothing to obtain this secret intelligence, even kidnap a dying child. Now, in order to save the ailing Leza and stop a genocide, Paul must go beyond his medical training to journey into a world of brutal terrorism and global intrigue. With only instinct and his faith as guides, how far will he go to save the lives of thousands?.
