Brand New Book ***** Print on Demand *****.What is the main theme of this book? Well, one could suspect that it was about music, but that would be only partially correct. Or about prostitution since the story is laced with Sophia and Aunt Clara, two ladies that are in the business? Well, not so again. Perhaps what shouldn't be the question anyway. Perhaps who is the question we should explore? Who are the characters that bring our story to life? Romance? Absolutely! Love? You betcha. Hmmm! Sounds familiar, like hasn't someone else written this stuff? Of course! I think one of those stories was, War and Peace, or Romeo and Juliette. They're not my stories, of course. It's also about a woman, a very attractive woman, Sophia Berry and she is a prostitute. But she is so much more than a hooker. She is a person and like our favorite virtuoso she has human qualities and frailties that make her special. We will explore their lives along with Laura's and the less than simple threads that bind them in a world that so...
