Reviews

Definitely one of the better publication I have got possibly read. It really is written in basic phrases and not difficult to understand. You won't sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

Brand New Book ***** Print on Demand *****.Excerpt from The Waters of Edera It was the season when the flocks are brought through this lonely land, coming from the plains to the hills. Many of them passed on their way thus along the course of the Edera water. The shepherds. Clothed in goatskin. With the hair worn outward, bearded, brown, hirsute men, looking like savage satyrs, the flocks they drove before them travel-worn, lame, heart-broken, the lambs and kids bleating painfully. They cannot keep up with the pace of the flock, and, when they fall behind, the shepherds slit their throats, roast their bodies over an evening fire, or bake them under its ashes, and eat them; if a town or village be near, the little corpses are sold in it. Often a sheep dog or a puppy drops down in the same way, footsore and worn out; then the shepherds do not tarry, but leave the creatures to their fate, to die slowly of thirst and hunger.
