John Wiley and Sons Ltd, United States, 1998. Hardback. Condition: New. 3rd Revised edition. Language: English . Brand New Book. If we wish to help humans to become more fully human, we must realize not only that they try to realize themselves, but that they are also reluctant or afraid or unable to do so. Only by fully appreciating this dialectic between sickness and health can we help to tip the balance in favor of health. -Abraham Maslow Abraham Maslow s theories of self-actualization and the hierarchy of human needs are the cornerstone of modern humanistic psychology, and no book so well epitomizes those ideas as his classic Toward a Psychology of Being. A profound book, an exciting book, its influence continues to spread, more than a quarter century after its author s death, beyond psychology and throughout the humanities, social theory, and business management theory. This Third Edition makes Abraham Maslow s ideas accessible to a new generation of psychology students, as well as businesspeople, managers, and trainers interested in applying the study of human behavior to management techniques. An energetic and articulate scholar, Professor Maslow was the author of more than twenty books, including Eupsychian Management; Psychology of Science; Religions, Values, and Peak Experiences; Motivation and...
