Written in a rhyming style similar to Dr. Seuss and including important lessons about remaining positive in the face of challenges, embracing your differences, and never giving up on your dreams, Tripi Takes Flight is a story the family will want to read again and again. This is a charming children s story about a fly who can t fly, but who longs for adventure! Tripi is different, and special you see; he can talk, read and write--he can even dance and sing! He tries and tries with all his might, but it remains that he cannot take flight! Tripi is unique in his ability to look at the bright side of things. He s not going to let this get him down, so he goes to the library where he meets The Great Book! The book talks of tantalizing travel, and far-off lands, destinations that Tripi would love to land! Will this chance encounter cause Tripi to hop a 747 jumbo jet to Paris, France, and beyond? Fasten your seatbelts, it s going to be an incredible ride!.
