Trafford Publishing, Canada, 2009. Paperback. Book Condition: New. 216 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Born of a high school dropout s unyielding drive to illustrate civil accountability, The Layman s Petition is the astonishing social statement destined to change the tone and direction of cultural/political thought well into the twenty-first century. In this one act theatrical reading/lecture, the one-time anonymous author distils the essence and paralysis of his generation s cohesive diffusion into a single and compelling message of hope, contemporary integrity, respect for the past, and a globally framed forward-looking enquiry into the very nature and divisive product of thought itself. Seniors will find this book an unexpected joy and revelation to read; middle-aged adults will welcome its startling clarity, and, although deliberately designed to discourage younger readers, mature young adults, filled with the drive and inner resolve to secure their future, will help to...
