By Dr Harry Jay

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Religion Spirituality - The Covenants of the Bible describes the partnerships between God and man. Throughout the over 6,000 years of human existence, God has been faithful to His promises; man has not! A good many practicing Christians are unfamiliar with all of the biblical covenants and the history and context behind them. This book offers insightful background and a general understanding of each covenant and is a good starting point leading to devout bible study and a better understanding of biblical theology and bible history. It is not a book on spiritualism and in fact it is a book of spirituality vs religion. It delineates what are the differences in religions and speaks about religion spirituality. If you have a desire to better understand God s will in your life and your position amongst the saints, you should read this book and pass it on to all believers and unbelievers as an evangelical tool.
