Just set free from their Egyptian master by plagues of insects and a river of hemoglobin, the Israelites stood on the shore of the Red Sea quivering. Was it because there were no graves in Egypt that you brought us to the desert to die, they griped bitterly to Moses. The people, barely out of chains, had already forgotten their miraculous deliverance from slavery and had fallen back into the common reaction of fear. But God had a solution for the Israelite miracle amnesia, and he has the same solution for us: to mark our faith. This Faith Marker Journey is set up as a four-part, guided adventure of remembering, repeating, and recording your God experiences. In this faith-building study you will look at how God has changed your ashes into a crown of beauty, how he has revealed himself to you, how he has replaced your despair for a garment of praise, and finally how he has made you an oak of righteousness to pass on your faith.
