HarperCollins Publishers Inc, United States, 2011. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Chris and Chrissy Rouse, an experienced father-and-son scuba diving team, hoped to achieve widespread recognition for their outstanding but controversial diving skills. Obsessed and ambitious, they sought to solve the secrets of a mysterious, undocumented World War II German U-boat that lay under 230 feet of water, only a half-day s mission from New York Harbor. In doing so, they paid the ultimate price in their quest for fame. Bernie Chowdhury, himself an expert diver and a close friend of the Rouses , explores the thrill-seeking world of deep-sea diving, including its legendary figures, most celebrated triumphs, and gruesome tragedies. By examining the diver s psychology through the complex father-and-son dynamic, Chowdhury illuminates the extreme sport diver s push toward--and sometimes beyond--the limits of human endurance.
