

A Rage in Harlem

By Chester Himes

BRILLIANCE AUDIO, United States, 2014. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Academy Award nominee Samuel L. Jackson (Pulp Fiction, Star Wars films), fresh off the success of his uproarious, Audie-nominated performance of the mock children s book Go the F**k to Sleep, delivers a swaggering, darkly-humored rendering of Chester Himes classic first novel. Himes, described by The Sunday Times as the greatest find in American crime fiction since Raymond Chandler, was no stranger to the world of crime: in his late teens and early 20s, he served 7 years in the Ohio State Penitentiary for armed robbery, the confession to which was beaten out of him by the police. He delivers the tale of his hopelessly naive hero suddenly finding himself on the run from a hypocritical and far-from-heroic police force with lurid violence and brutal humor. There is no voice better than Mr. Jackson s to narrate this hardboiled story of love and crime, set in a richly imagined, mid-20th century Harlem. A Rage in Harlem is part of Audible s A-List Collection, featuring the world s most celebrated actors narrating distinguished works of literature that each star had a hand in selecting.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
