QUICKLY OUTLINE YOUR ASSIGNMENT: SKETCH OUT A CLEAR PLAN FOR YOUR COLLEGE PAPER IN 15 MINUTES OR LESS (PAPERBACK)

Createspace, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.(This is the US edition of this book) What will your essay s central message be? How will your material fit together? Will your case be coherent and convincing? How will your assignment draw to a close? If you re unable to answer these questions, you ll struggle to make a start when you sit down to draft an assignment; deciding what to write will be difficult without knowing the general direction of the work. Wouldn t it be great if you had some way to sketch out a plan for your essay, which you could then adjust and improve before writing the first draft? Quickly Outline Your Assignment shows how the course of an entire paper can be rapidly plotted using a free, easy to use computer app. Map out the essay s structure as a series of bullet points Add, delete rearrange items until the outline represents a well-constructed assignment which progresses logically Group related material together under shared headings Include helpful notes or to-do lists for unfinished parts The book is illustrated with many screenshots to give step-by-step guidance and contains nothing but practical advice to keep students moving forward. What s inside: The important questions about the direction of an essay The usual planning tools - and their drawbacks The computer program that doesn t suffer from those drawbacks Recording, deleting and moving your ideas Grouping related ideas together Arranging ideas without a preconceived structure Adding more than just the finished text to a plan The five jobs that are now easier The transition from planning to writing Eleven other situations where this program will help List of available programs for Windows, Mac, Linux, iOS and Android.
