Wheel Wolf: Werewolf Horror

By January Valentine

Water Forest Press. Paperback. Condition: New. 330 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. Jack Bailey is just a few weeks away from beginning his dream career as Forest Ranger in the upstate New York town of Angels Bend. Jenny Rudea, veterinarian in training, is madly in love with Jack, and the animals she cares for. On the way home from her house one night, Jack takes an unanticipated detour to Hosner Lake. While there, he encounters something that raises the hair on the back of his neck. What is out there, on the other side of the lake is it a shadow, a hunter, a wolf Without a weapon or a flashlight, he is not about to stick around to find out. He hops on his bike and heads for the main road where something leaps onto his back, causing the accident that steals his mobility, threatens his sanity. As if this isnt bad enough, when he wakes up in the hospital, paralyzed from the waist down, he has no idea what occurred on the lonely road, but is now a prime suspect in a murder investigation because of what was found almost pinned to his body: a naked girl...
